

AccuFund has opened registration for its 2016 Spring Training Program. This includes four online courses May 10-13, 2016 and three on-site courses to be held in Las Vegas, NV from May 16-20, 2016. Both on-site and online courses include significant hands-on lab time to reinforce what is being learned during the course.

The online courses are geared towards users wanting to learn correct processing in AccuFund's most popular modules including Accounts Payable, Accounts Receivable and Payroll. There is also a New User course, geared to new staff in the finance department that need to understand the AccuFund software paradigm and how to most effectively use the software. Each of the online courses are a 5 hour course. The online courses will run during the week of May 10 -13, 2016.

The report writer courses will be taught in Las Vegas, NV and are three courses including Financial Report Writer - 2 days, Standard Report Writer - 2 days and Advanced topics for the Standard Report Writer - 1 day. The report writer courses will run the week of May 16-20, 2016.
