

AccuFund kicks off the 2016 Fall Training & User Group Meeting Season.

Hands-on Report Writer training shows clients how to customize and write their own reports in AccuFund's Financial and Standard report writers. On-site training in Waltham, MA takes place October 17-21. Space is limited. Registration closes October 7.

Registration is also open for AccuFund's Online Training Series – New User, Accounts Payable, Accounts Receivable and Payroll. The online training series runs October 25-28, with specific dates for each training. Registration is required.

AccuFund User Group Meetings provide clients with the latest information about updates to AccuFund's current version, plans for the next version, year-end changes expected for 2016, Position Control module, scheduling, automation enhancements, and other topics. User Group meeting dates for AccuFund clients are held in a variety of locations across the United States, between November 10-December 2, 2016. An online session is also available on December 1.
