

## **CPA Practice Advisors Honors AccuFund with 5-Star Rating for its Nonprofit Accounting System.**

### ***AccuFund receives top marks for scalability, core functions, capabilities, reporting, integration and support.***

Needham, MA, March 8, 2016 – AccuFund, Inc. ([www.accufund.com](http://www.accufund.com)), a nonprofit financial improvement systems specialist, receives the 2016 5-Star Rating from CPA Practice Advisors. CPA Practice Advisors bestowed the honor after assessing AccuFund's Nonprofit Accounting System in the areas of basic system functions, core fund accounting capabilities, management features, financial statements and reporting, integration, and support.

CPA Practice Advisors describes, "AccuFund is an excellent choice for mid-sized nonprofits that need a scalable product that can be accessed remotely. The availability of both on-premise and online/cloud editions allows users to choose the option that would best suit their organization's needs. The scalability of the product allows users to start with the core set of modules and add others at a later date."

Product strengths detailed in AccuFund's 5-Star Review include:

- Both on-premise and online/cloud version available
- Strong set of core modules
- Excellent selection of add-on modules
- Seamless integration with Salesforce
- AccuFund for Nonprofits provides a degree of flexibility in its product offerings, giving users the choice of a traditionally installed product, an online version of that same product, or AccuFund Anywhere, the cloud-based version of the product.

Additional highlights of the 5-Star Review include:

- "Extremely flexible account structure, with the product providing a 255 character account structure that will support up to 99 separate segments, making it easy to track multiple grants, projects, programs or other funds."
- "Excellent budgeting capability, with users able to easily create and edit budgets as needed."
- "Excellent selection of reports that can be customized as needed. The Forms and Report Generator allows users to easily create custom reports or customize standard reports to suit their needs."
- "AccuFund is a completely integrated system, with users able to purchase the core system and add-on additional modules at any time."

"Our software has enabled thousands of nonprofit organizations and government entities over the past 15 years to improve their financial reporting and overall management. We are honored CPA Practice

Advisors continues to view our nonprofit accounting software systems deserving of 5 Stars,” explains AccuFund president, Peter Stam.

The AccuFund Nonprofit Accounting Systems offers all the core modules nonprofits and government entities expect: General Ledger, Financial Reporting, Budget Reporting, AP, Cash Receipts, Bank Reconciliation, Forms & Report Generator, and User Security System.

Robust add-on modules include: Budget Development, Payroll & Labor Distribution, Grants Management, Human Resources, Fixed Assets, AR with Inventory and Responsible Party Billing, Allocation Management, Purchasing with Inventory, Online Requisitions, Loan Management, and Representative Payee.

“We are incredibly grateful for the support and insight from our clients and partners; our collaboration fuels the accounting software updates and enhancements to our core and add-on products that have strengthened the organizations and entities they support,” concludes Stam.
