

ACCUFUND® **Optimize Your Grants Management Process for Greater Impact**

Grants help fulfill missions. Improving efficiency and processes during all phases of grants management puts your organization in a better position to attract new grants, retain grants, and ultimately accomplish more for your constituents.

You're invited to download the new executive paper, **Optimize Your Grants Management Process for Greater Impact**, where we identify tips and insights for improving all 5 phases of grants management so your organization can:

- Stand out during grant application process,
- Automate day-to-day tasks, and
- Improve reporting and forecasting.
