

Payment Portal

AccuFund Anywhere Online

Make Life Easier for You and Your Customers

AccuFund Pay Portal is part of the AccuFund Suite of browser native components, allowing customers to make payments to their account online. AccuFund Pay Portal removes the need for both you and your customer to handle and process paper checks; making the process easier, faster and less error prone.

For nonprofits, this includes Accounts Receivable and Client Invoicing for nonprofits.

For governments, it integrates with Utility Billing, Permits and Inspections, and Fees, Taxes and Licenses.

Streamline Your Processes & Reduce Paper

AccuFund Pay Portal is a centralized place for a customer to view all of their account activity in one location and make payments to one or more accounts.

Customer payments made through Pay Portal, immediately update Customer and Cash balances.

Key Features

AccuFund Pay Portal offers valuable functions that increase efficiency:

- A customizable Payment Portal page with your logo can provide important information to your customers – How to sign up, payment options, and who to contact with questions.
- Customers can access their account from anywhere they have access to the internet, and can be linked to your website.
- Customers can view and download all previous billing activity.
- Customers can make a payment to their account using a Credit Card, Debit Card, or eCheck.
- Payments are processed through a secure, PCI compliant merchant account.
- Online payments flow seamlessly into AccuFund Cash Receipts, and applied to the customer account.
- Intelligent Rate processing tells the customer, up front, how much the convenience fee will be, and how much the fee would be if they used a different form of payment.

Let's Get Started

AccuFund supports your mission with a full suite of financial management applications for nonprofit and government organizations. To learn more and arrange a demo, contact AccuFund at 877-872-2228 or sales@accufund.com or visit www.accufund.com.

AccuFund SOC2 Certification for Cloud Service Offerings

SOC (System and Organization Controls) certifications offer an AICPA auditor's opinion on the effectiveness of a service organization's controls relevant to security, availability, processing integrity, confidentiality, or privacy. AccuFund has received SOC 1 Type 2 certification for its cloud offerings.
